Mark: That's perfect. I'll be quick! We're talking to people about our charity to raise awareness of our activities. Jenny: Okay. What do you do? Mark: We help provide school materials and [meals](#) for underprivileged children in vulnerable communities. Jenny: That sounds like a good cause. Mark: Yes, we've helped a lot of kids. We're out fund-raising today, if you'd like to support us. Jenny: How would I do that? Mark: You can choose to make a one-time donation, or you can donate monthly or annually. Even a small contribution can make a big difference. Jenny: I'd prefer to start with a one-time donation. Mark: Of course! Every bit of help counts. Thanks so much for your support! Language
